

UWINEZA FLORENCE

Computer scientist | Front end
Developer | UI/UX designer

Portfolio: <https://portfoliouto.onrender.com>

About Me

I'm a Diligent and forward-thinking Computer Science student with a strong foundation in programming and a passion for front-end development. Proficient in HTML, CSS, and JavaScript, with hands-on experience in creating responsive and visually appealing web interfaces. Demonstrated ability to collaborate effectively in team environments and adapt quickly to new technologies. Committed to continuous learning and innovation in the ever-evolving field of web development.
